Enter the Libero's number next to the L: located at the top right of each tracking sheet. Enter the number of the starting player (SP) for each position in the serve order under SP. When the Libero enters, slash the player number and enter L. When the Libero is replaced, slash the L and enter the replacement player's number. Record regular subs the same way. If the Libero serves, place a triangle around the serving order position in which the Libero served.
